SMALL BUSINESS SPOTLIGHT · OCTOBER 2026

Wolfden Collective

*Sarah & Cory Miller, Owners
Photography & Graphic Design*

“The best photos don't always come from perfectly posed moments, but from the laughs, little in-between moments, and pieces of your personality that make your story yours.”

Hi, I'm Sarah, the photographer and creative behind Wolfden Collective. I've had a camera in my hands since high school and have been professionally photographing people and their stories since 2014. What started as a love for photography has grown into something that feels much bigger to me — a way to help people see themselves, their relationships, and the seasons of life they're in through honest, meaningful imagery. I'm a wife, a mom, a creative, and someone who genuinely believes the best photos don't always come from perfectly posed moments, but from the laughs, little in-between moments, and pieces of your personality that make your story yours.

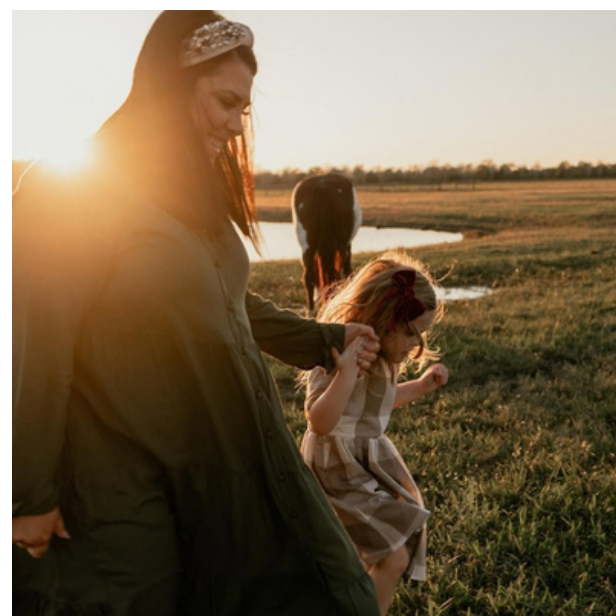

Professionally photographing people and their stories since 2014

Small Business Spotlight, Continued

Wolfdan Collective is a photography and creative studio focused on imagery that feels like you. I photograph couples, families, individuals, seniors, maternity, personal branding, and intimate celebrations, while also offering creative design services through my husband Cory. Our goal is to create work that feels intentional without feeling stiff or overly polished — images and designs that feel personal, comfortable, and a little bit like home. Whether I'm documenting a growing family, helping someone feel confident in front of the camera, or creating imagery for a small business, I want the experience to feel relaxed, guided, and genuinely human.

Greater Houston Market Snapshot

\$330,000

Median single-family sale price, August 2026

54 Days

Average days on market, up from 52 a year ago

Sales fell 11.5% year over year in August, the sharpest drop of 2026, but prices barely moved: the median slipped \$5,000 and the average actually rose. With 5.3 months of inventory, this is the most balanced the Houston market has been in years.

What This Means For You

FOR BUYERS

More time to decide, more room to negotiate. With fewer buyers competing for each listing, you can ask for repairs, ask for closing cost credits, or just take a breath before writing an offer.

FOR SELLERS

The drop in closings is worth taking seriously without overreacting to it. Prices held up, which means well-prepared, realistically priced homes are still finding buyers.

Curious what these numbers mean for your specific home? Turn the page. We've got a featured listing and our direct line right here.

The 2026 Pumpkin Patch Map

28 pumpkin patches, farms and fall festivals, on one map.

We put every pumpkin patch, farm and fall festival we could find from Conroe to Galveston on one interactive map, with this year's dates, hours and admission for each. Filter by the kind of outing you want or by your side of town, then tap a pin for directions. 17 of the 28 are free to walk into.

FREE PATCHES

Church and community patches where you only pay for the pumpkins you take home.

FARMS & MAZES

Destination farms with corn mazes, hayrides and animals.

FALL FESTIVALS

Bigger events with rides, food and live music.

OPEN THE MAP

Most patches close October 31, so go while the pumpkins are good.

A NOTE FROM OUR FAMILY

Support Something Local This Weekend.

Grab lunch at a locally owned spot. Wave at your neighbors. Let the kids get grass-stained at the park. None of it needs to be complicated. It just needs to be yours.

*We'll see you around town. Go make some memories this weekend.
