Wolfden Collective

Sarah & Cory Miller, Owners
Photography & Graphic Design

> *“The best photos don't always come from perfectly posed moments, but from the laughs, little in-between moments, and pieces of your personality that make your story yours.”*

Hi, I'm Sarah, the photographer and creative behind Wolfden Collective. I've had a camera in my hands since high school and have been professionally photographing people and their stories since 2014. What started as a love for photography has grown into something that feels much bigger to me — a way to help people see themselves, their relationships, and the seasons of life they're in through honest, meaningful imagery. I'm a wife, a mom, a creative, and someone who genuinely believes the best photos don't always come from perfectly posed moments, but from the laughs, little in-between moments, and pieces of your personality that make your story yours.

Professionally photographing people and their stories since 2014

Small Business Spotlight, Continued

Wolfden Collective is a photography and creative studio focused on imagery that feels like you. I photograph couples, families, individuals, seniors, maternity, personal branding, and intimate celebrations, while also offering creative design services through my husband Cory. Our goal is to create work that feels intentional without feeling stiff or overly polished — images and designs that feel personal, comfortable, and a little bit like home. Whether I'm documenting a growing family, helping someone feel confident in front of the camera, or creating imagery for a small business, I want the experience to feel relaxed, guided, and genuinely human.

Greater Houston Market Snapshot

$325,000

Median single-family sale price, September 2026, flat from a year ago

58 Days

Average days on market, up from 56 a year ago

Greater Houston sales slipped 5.7% in September to 7,030 homes while prices held: the median stayed at $325,000 and the average rose 0.7% to $421,311. Active listings climbed 6.3% to 40,192, or 5.5 months of inventory against 4.8 nationally. Mortgage rates averaged 6.86%, about $83 a month more on a median-priced home than a year ago. These are HAR's Greater Houston figures, not zone-level numbers.

What This Means For You

FOR BUYERS

The payment moved, not the price. Get a lender's quote at today's rate before you fall for a house. With more listings and slower sales, you have room to negotiate.

FOR SELLERS

Prices are holding, but buyers are fewer and slower. Price where September's closed sales support it, and plan your carrying costs for about 58 days on market.

A NOTE FROM OUR FAMILY

Support Something Local This Weekend.

Grab lunch at a locally owned spot. Wave at your neighbors. Let the kids get grass-stained at the park. None of it needs to be complicated. It just needs to be yours.

We'll see you around town. Go make some memories this weekend.
